TABLE OF CONTENTS—BRITTONIA VOL. 43

Acevedo-Rodríguez, Pedro. *Serjania lancistipula* (Sapindaceae), a new species from Bahia, Brazil. 165

Almeda, Frank and Gina Umaña Dodero. A review of the genus *Triolena* (Melastomataceae: Bertolonieae) in Costa Rica. 146

Alverson, William S. A synopsis of *Phragmotheca* (Bombacaceae), with two new species and a new subspecies. 73

Austin, Daniel F. *Ipomoea sawyeri* (Convolvulaceae), a new species from Peru. 93

Balick, Michael, see Henderson, Andrew

Barneby, Rupert C. A new unifoliolate *Lupinus* (Fabaceae: Lupininae) from the Brazilian Planalto. 168

Barringer, Kerry. A revision of *Epidendrum* subgenus *Epidanthus* (Orchidaceae). 240

Beck, Hans T. Typification of Radlkofer's infrageneric names in *Paullinia* L. (Sapindaceae). 201

Bernal, Rodrigo G., Gloria Galeano, and Andrew Henderson. Notes on *Oenocarpus* (Palmae) in the Colombian Amazon. 154

Boyle, Thomas H., see Spooner, David M.

Buck, William R. Notes on Neotropical Pterobryaceae. 96

Caputo, Paolo, Dennis W. Stevenson, and Eleanore T. Wurtzel. A phylogenetic analysis of American Zamiaceae (Cycadales) using chloroplast DNA restriction fragment length polymorphisms. 135

Chang, Chin-Sung, see Meuerer-Grimes, Barbara

Clemants, Steven E. Two new species of *Bejaria* (Ericaceae) from South America. 171

Dillon, Michael O. A new species of *Tillandsia* (Bromeliaceae) from the Atacama Desert of northern Chile. 11

Dodero, Gina Umaña, see Almeda, Frank

Dolan, Rebecca W. The Friesner Herbarium (BUT) of Butler University. 54

Dorr, Laurence J. The vascular plant collections of R. S. Williams from Bolivia and Peru (1901–1902). 211

Dorr, Laurence J. A striking, new species of *Roupala* (Proteaceae) from the Venezuelan Andes. 261

Fryxell, Paul A. and Stephen D. Koch. *Pavonia ecostata* (Malvaceae), a new species from Jalisco, Mexico. 24

Galeano, Gloria, see Bernal, Rodrigo G.; see Henderson, Andrew

Henderson, Andrew, and Michael Balick. *Attalea crassispatha*, a rare and endemic Haitian palm. 189

Henderson, Andrew, Gloria Galeano, and Elsa Meza. A new species of *Euterpe* (Palmae) from Peru. 178

Henderson, Andrew, see Bernal, Rodrigo G.

Holmgren, Patricia K., see Tiehm, Arnold

Knapp, Sandra, Thomas Mione, and Abundio Sagástegui A. A new species of *Jaltomata* (Solanaceae) from northwestern Peru. 181

Koch, Stephen D., see Fryxell, Paul A.

Kowal, Robert R. A new variety of *Senecio* (Asteraceae: Senecioneae) from the Sierra Madre de Manantlán, Jalisco, Mexico, with notes on the *S. roldana* complex. 102

Kress, W. John. New taxa of *Heliconia* (Heliconiaceae) from Ecuador. 253

Landrum, Leslie R. Nomenclatural changes in *Myrteola* and *Myrceugenia* (Myrtaceae). 199
Luteyn, James L. Two new species of *Cavendishia* (Ericaceae: Vaccinieae) from Antioquia, Colombia. 116
McDonald, Andrew. Plantae alpinae novae mexicanae: *Argemone subalpina* (Papaveraceae). 120
Meurer-Grimes, Barbara. Notable collections represented in the Truman G. Yuncker Herbarium (DPU), now deposited at the New York Botanical Garden (NY). 269
Meurer-Grimes, Barbara and Chin-Sung Chang. Type specimens of vascular plants in the T. G. Yuncker Herbarium of DePauw University (DPU), now deposited at the New York Botanical Garden (NY). 57
Meza, Elsa, see Henderson, Andrew
Mickel, John T., and W. H. Wagner, Jr. Joseph M. Beitel (1952–1991). 123
Miller, Regis B. Wood anatomy of *Phragmotheca* (Bombacaceae). 88
Mione, Thomas, see Knapp, Sandra
Nelson, Jane P., see Nelson, Thomas W.
Nelson, Thomas W. and Jane P. Nelson. *Minuartia stolonifera* (Caryophyllaceae): a new species from the serpentine of Scott Mountain, Siskiyou County, California. 17
Pruski, John F. Compositae of the Guayana Highland — IV. A new species of *Pentacalia* (Senecioneae) from Cerro de la Neblina, Venezuela. 264
Sagástegui A., Abundio, see Knapp, Sandra
Soltis, Douglas E. A revision of *Sullivantia* (Saxifragaceae). 27
Spooner, David M., Dennis P. Stimart, and Thomas H. Boyle. *Zinnia marylandica* (Asteraceae: Heliantheae), a new disease-resistant ornamental hybrid. 7
Stevenson, Dennis W., see Caputo, Paolo
Stimart, Dennis P., see Spooner, David M.
Sundell, Eric. A new combination in *Matelea* (Asclepiadaceae) and lectotypification of *M. parvifolia*. 195
Tiehm, Arnold and Patricia K. Holmgren. A new variety of *Draba oreibata* (Brassicaceae) from Nevada, U.S.A. 20
Wagner, W. H., Jr., see Mickel, John T.
Wasshausen, Dieter C. New Species of *Dicliptera* (Acanthaceae) from the Guianas. 1
Wasshausen, Dieter C. New species of *Habracanthus* (Acanthaceae) from Mexico. 185
Wurtzel, Eleanore T., see Caputo, Paolo
